CLEAN UP.

With the springtime comes the necessity for a general household cleaning. This is no more necessary than an "out door cleaning" of the entire city. This is absolutely essential to preserve the health of the citizens. Let the work be commenced at once. The street brigade can do a much needed service in the alleys and neglected streets. Make the old town a thing of beauty with no bad odors.

WORK OF A VANDAL

Col. E. A. Robinson's Tulip Bed Destroyed Last Night

Every passer has been attracted by the beauty of the tulip beds which grace the lawn in front of Colonel E. A. Robinson's handsome houses at Second and Lexington.

They have been a delight to many eyes that have tired with the snows and sleets of a vigorous winter, and a rest to many hearts that have yearned for a return of Spring and her beautiful colorings.

But the Vandal is abroad, and last night some one ruthlessly cut away a large number of the red blooms that mingled with their yellow companions in one of the plots, strewing many of the flowers about the lawn.

It is hoped the person who did it feels proud of the achievement, for it was certainly an act that should be rewarded—here and hereafter.

There is no question but this medicine is the best that can be procured for coughs and colds, whether it be a child or an adult that is afflicted. It always cures and cures quickly. Sold by all Druggists.

FOURTH STREET TERMINAL

The C. and O. Will Abandon Cincinnati Warehouse Site]

The Chesapeake and Ohio Railway Company has consented to surrender its Fourth street freight terminal warehouse in Cincinnati to the Union Depot Company for use in the proposed Fourth Street Union Depot plan, provided the Union Depot Company gets the C. and O. a terminal equally convenient and valuable.

The Fourth Street Freight Station of the latter road is unique in its location and is the only one of its kind in Cincinnati.

It is located on the rear half of the block bounded by Third, Fourth, John and Smith streets. Its front entrance is on the Fourth street level and its track approaches in the rear are located on steel bridge work.

This is the block on which it is proposed to locate the big Union Station building proper. The train shed will stretch to the West 100 feet on land which is either covered by options or which can be acquired by condemnation proceedings.

The plans for the new terminals embrace a system of eighteen tracks under the train shed, and provision is made for future expansion over Third street and on land already owned by the Depot Company.

THERE'S a boost of 2 cents a pound in the price of steaks and roasts; and all because the Beef Trust has been knocked out by the Supreme Court.

WHAT a fall! A Cincinnati grocery firm sued the C. and O. for \$85,000, and the Jury gave a judgment for \$1,400. This makes 30 cents look like \$1.

OLDEST TRACK IN AMERICA

Has Been Rescued From the Hammer of the Auctioneer

The track of the Kentucky Racing Association at Lexington is the oldest and most historic race course in America. It had been allowed to go to rack and would have been cut up into town lots by its owner, a St. Louis real estate dealer, had not the Pittsburgh millionaire coal king, Captain S. S. Brown, come to the rescue. Captain Brown feels a great interest in Kentucky, and simply for the sake of preserving the famous track he paid \$35,000 for it and has expended \$150,000 in improvements on it. As might be expected, it is now the handsomest and most complete racing plant of its size in America. Captain Brown also determined to revive racing at Lexington. He reorganized the Kentucky Racing Association, formed originally in 1826, with such men in its Board of Directors as Colonel E. F. Clay of Paris, Mr. J. N. Camden, Jr., of Versailles, Mr. C. F. McMeekin and Mr. J. S. Stoll of Lexington. A spring meeting of six days will be held at Lexington; May 31 to 9th. Such famous events as the Distillers Handicap and the Phoenix Hotel Stakes, for which a decade ago the greatest horses in America contested, will again be witnessed, and the meeting promises to be a tremendous success. Reduced rates will be offered by all the railroads.

Prices of all kinds of meat have been raised in New York City because of a reported increase in the cost to dealers.

Thomas Butler, who attended Church every morning for sixty years, used tobacco all his life, but who had not indulged in intoxicants since 1941, died in New York at the age of 105 years.

Chicago, St. Louis and the Middle West have practically won their fight for lower freight rates to the Southeast. At a conference of railway presidents in New York it was decided to make reductions in the near future.

DECIDED SUCCESS

Was the Box Social at the Third Street M. E. Church

The box social given by the Ladies' Mite Society of the Third Street M. E. Church last evening was a decided success, both socially and financially, there being a large number present who thoroughly enjoyed the evening.

The net receipts amounted to \$150, \$125 of which was made on the autograph quilt. Splendid music by the Austin Orchestra added much to the enjoyment of the occasion.

The exhibition of the quilt was the attraction of the evening.

The ladies certainly deserve much credit for the success of their undertaking.

Mrs. Joseph H. Dodson was the winner of the quilt, she having \$25 on her square; but she had a number of worthy contestants, as will be seen by the list below.

The quilt itself is quite a novelty, with its large array of names and advertisements worked into it, the most prominent of which is that of Merz Brothers.

L. M. Lane has the credit of having his name on it oftener than any one else—at least he thinks so, from the number of times he has been called upon for his name and 50 cents.

The following is a list of the ladies who contributed squares and the amount made on each:

Mrs. Joseph H. Dodson	\$25.00
Mrs. Josephine Wood	10.00
Mrs. Mattie Bewley	12.50
Mrs. Belle Smith	7.50

About Rheumatism.
There are few diseases that inflict more torture than rheumatism, and there is probably no disease for which such a varied and useless lot of remedies have been suggested. To say that it can be cured is, therefore, a bold statement to make, but Chamberlain's Pain Balm, which enjoys an extensive sale, has met with great success in the treatment of this disease. One application of Pain Balm will relieve the pain, and hundreds of sufferers have testified to permanent cures by its use. Why suffer when Pain Balm affords such quick relief and costs but a trifle? For sale by all Druggists.

JOHN C. ROWAN.

Rheumatism.

Prof. E. E. Phelps, of Dartmouth University, the discoverer of the formula of Paine's Celery Compound, always maintained that rheumatism could be traced back to diseased nerves that failed to do their work properly.

Bear this in mind while reading the letter of John C. Rowan that follows.

Mr. Rowan wrote us over to years ago telling us how much he was being helped by Paine's Celery Compound. We wrote him a short time ago to find out if he still relied on Paine's Celery Compound.

"Yours of the 2d inst. is at hand, and in reply would say that I have never had any cause to change my opinion as to the good qualities of Paine's Celery Compound. As you are aware, some ten years or thereabouts ago, I was a martyr to rheumatism, and suffered intense pain with it in my knees; could not rest at night, but walked the floor with pain.

"All manner of remedies were tried; some gave me temporary relief, others have had no effect whatever.

"Now, my reasons for taking Paine's Celery Compound in preference to other remedies was that on an occasion once before I had taken two bottles of Paine's Celery Compound and was relieved so much that I did not take any more at that time, after my experience with other remedies which did me no good. Later, I was positive then that I had not given Paine's Celery Compound a fair trial to cure me absolutely of rheumatism.

"I concluded to take twelve bottles, and I did so, and I can assure you that you have a compound that is honest, and a sure destroyer of rheumatism.

"I have found it so, for up to this present date I have never felt any symptoms of rheumatism. I take it every spring, but for the blood only.

"Now, we have a remarkable case here in one of our schools, the janitor, Mr. William Garlow. He is a man between seventy and seventy-five years of age.

"He had suffered very much with rheumatism, so he felt he must give up his position. I had frequently recommended Paine's Celery Compound to him, and, like myself, he had taken one or two bottles of it, but did not give it a fair trial. I informed him of my case, and said: 'Try a dozen bottles, and it will convince you that my statement is correct.' He purchased five bottles; one he kept at the school, so he could take it as directions call for. Now he is well and feeling better than he has for years, and is a strong supporter of Paine's Celery Compound. His address is, William Garlow, Oakdale avenue, or Humboldt High School.

"Others have asked if it is a fact that Paine's Celery Compound has done so much for me and keeps me so healthy.

"That and the way I live have been the cause. At the time I had the rheumatism I was affected with catarrh. You can be assured I shall always be a friend of Paine's Celery Compound, for I am indebted to it—a debt I can never pay. You can refer to me and use this letter as you see fit in the cause of Paine's Celery Compound. I am, yours truly,"—John C. Rowan, 137 East Winifred street, St. Paul, Minn.

When you are sick in some part of your body it is because some organ is not doing its work.

That is because THE NERVES ARE NOT STRONG ENOUGH to keep that organ up to its work.

The better the Nerve Force the better all the organs can work and give perfect health.

Paine's Celery Compound feeds the nerves—restores them to their strength—gives them new power to send vitality and health to every part of your body, new courage to your heart, new animation to your brain.

Remember this—Paine's Celery Compound is the prescription of one of the most famous physicians this country has ever known, Prof. E. E. Phelps, of Dartmouth University.

All reputable druggists recommend and sell Paine's Celery Compound.
